

## **FABRICATION CAPABILITY CERTIFICATE**

This is to certify that the above fabrication facility has been satisfactory evaluated for its capabilities for handling, fabrication, assembly, inspection, testing and painting of various types of Skids, like Gas Mixing and metering skids and Piping, Pressure Vessels in accordance with the specifications of ASME B31.3, ASME B31.8 and ASME Section VIII Division-1, and IBR 1950 with design inputs & other quality / supervisory controls by various customers, e.g. Forbes Marshall Pvt. Ltd, VATECH WABAG LTD, EXIMP MEASUREMENT Pvt. Ltd, TATA STEEL LTD, RELIANCE INDUSTRIES LTD, AQUA DESIGN INDIA LTD, HINDALCO INDUSTRIES LTD, and engaged TPIA like BV, DNV, TUV, BAX-Counsel Inspection Bureau Ltd, Tata Consulting Engineers Ltd, etc.

### **Description of some product categories:**

- Skids/Gas Mixing, Metering skids up to 30"NB and 900 LBS rating
- Ultrasonic Metering skids
- Orifice Metering skids
- Filtration skids
- Pressure Reduction Piping Skids
- Filters, Separators, KODs.
- Coded Pressure Vessels, Heat Exchangers, High pressure / Temperature Piping and Headers.

### **Material of construction**

Pipes -SA 106 Gr. B/SA333 Gr.6/API 5L / SA 312 TP 316L/ SA 312 UNS S 31254  
Duplex / Super Duplex / stainless steel  
Fittings -SA234 WPB/SA420 WPL6/SA105/SA350 LF2/SS316/SS304/ Duplex / Super Duplex.  
Flanges-SA105/SA350 LF2/SA 694/SS 316/SS 316L/SS304 /Duplex / Super Duplex.  
Plates -SA516 Gr. 60/70 / SS 316 / SS 304

### **Fabrication Works Address:**

---

VEE BEE INDUSTRIES,  
J-238, MIDC Bhosari, Pune - 411 026

**Date of assessment: Inspection Report (Vendor evaluation) Dt-27/04/2018 attached herewith.**

This certificate stands valid on condition of satisfying continuously quality requirements.

Issued at: Pune  
Date: 27/04/2018
